STATE-OF-THE-ART BRAND NEW VESSEL

Join us for a MAGICAL EVENING aboard the Cayman Explorer sunset dinner cruise to experience a unique interlude you will remember forever. Known for stability and comfort, the Cayman Explorer is a spacious state-of-the-art triple jet drive vessel with plenty of room to comfortably move about. The sprawling observation deck offers sweeping views throughout your sunset cruise. Our main deck passenger's enclosure system is unique in the world (patented). The glass top eliminates pillars that obscure views offering a unique 360 degree panoramic view. See our unique underwater light show that illuminates the surrounding water.
